

Sax - The Crates

"The other Duchies don't work without us boy, if the crate isn't filled with our food or wool, at least the crate itself will be of our wood."
- Unknown.

"We kept The Glenns and Cloverleaf apart for centuries, my count if you assure us they are on your side, we have no choice but to join."
- Count of Traen.

"The tale of Elurin and Eunia predates the empire itself. Back when this was all Trisi land. So yes my dear I do no think the boy from the schoolhouse saw her in the woods."
- Unknown.

"The Khalean University expects only the highest. Highest credentials, highest fees, and highest stock. To get in on one alone...you have a rare gift Paxamtrel"
- Professor of the Khalean University recounting past members.

"Esse says the outer villages are empty. Not damaged, not raised, just empty. It's as if the entire village decided to just ..leave."
- Emissary from the Duchy of Lune.
